2 initiated by electronic means, such as an electronic terminal, telephone,
3 computer, ATM or magnetic tape.

4 (9) "Fixtures" means those articles that, although once movable chat-
5 tels, have become accessory to and a part of improvements to real property by
6 having been physically incorporated therein or annexed or affixed thereto
7 in such a manner that removing them would cause material injury or damage
8 to the real property, the use or purpose of such articles is integral to the
9 use of the real property to which it is affixed, and a person would reason-
10 ably be considered to intend to make the articles permanent additions to
11 the real property. "Fixtures" includes systems for the heating, air condi-
12 tioning, ventilation, sanitation, lighting and plumbing of such building.
13 ~~"Fixtures" does not include machinery, equipment or other articles that are~~
14 ~~affixed to real property to enable the proper utilization of such articles.~~
